

Let It Snow

October 2022

Last Month

Tricia Golla headed up our Operation Christmas Child Packing Party. We were able to fill 199 boxes that will now be used to bring the Gospel to kids over seas. It costs \$9 to send each box over, and we have raised over 80% of what is needed but we are still looking to cover all the boxes that we have packed.

Board Meeting

Our nursery is now carpeted thanks to Danny O'Day, Rainer Golla, and Pastor Justin Goza! We still need to put the baseboards in but it is now functionally ready to serve the young families in our congregation. Next, we will look to assess our basement and what it needs in order to be an effective youth room for our Blaze and Ignite Sunday Schools.

Ministry Highlight

Sweet Treats is a ministry where lady volunteers reach out to women working in the adult entertainment industry. We are currently established in Wausau and occasionally in Nekoosa. If any ladies are interested in getting involved, contact Pastor Scott or Loganne Smith.
